 ARM, WI 11111-1111

NOTE: The following statements are made in accordance with the Privacy Act of 1974 (5 USC 552a). The Agricultural Adjustment Act of 1933, as amended, and the Agricultural Act of 1949 (7 USC 1621) require the collection of information for the purpose of determining eligibility for assistance. The data will be used to determine eligibility for assistance. Furnishing the data is voluntary. No agency responsible for enforcing the provisions of the Act.

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing the collection of the following data. The data will be used to determine eligibility for assistance. Send comments regarding this burden estimate, or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Agriculture, Clearance Officer, Ag Box 7830, Washington, D.C. 20250, and to the office of Management and Administration, Paperwork Project Team, Washington, D.C. 20503. RETURN THIS COMPLETED FORM TO YOUR FSA COUNTY OFFICE.

What ARM Needs from You to Do a Good Job for You

Please notify ARM if you want to change:

- Insurance type: YP-RP-GRP-GRIP-APH-PRF
- Unit structure type: Basic-Optional-Enterprise
- Level of Coverage: Catastrophic 50-90%
- Volume of Coverage: 55-150%, depending on type

Please notify ARM:

- of any new crops to be covered.
- of any crops to be cancelled.
- of any changes to entity or ownership: marriage, divorce, LLC, partnership, corporation
- of any plan to plant into CRP ground.
- of any plan to plant into "new breaking."

What ARM Needs from You After Planting

Please notify ARM within 15 days of completion of planting but not later than the reporting deadline. Simply provide an FSA report of acres planted, by farm with maps. If you have more than one farm number, please provide a *Producer Print*.

In lieu of an *FSA Acreage Report* you may report the following:

1. Location of acres planted or prevented from being planted by crop.
2. Planting dates.
3. When required, type or variety of crop planted.

Verifying the Accuracy of Your ARM Mapbook

ARM will provide you with a mapbook and completed acreage report. Review the mapbook and report any errors to ARM, such as:

- Field is in the wrong location on the map.
- The wrong crop is indicated on the map.
- Any missing acres.

Report any agreed upon corrections to the FSA and provide ARM with an updated *Producer Print*.

ARM will update the mapbook to reflect all corrections.

ARM will prepare an acreage report for your signature based on the mapped acres.

Disclaimer:
 Nothing in this brochure overrides the rules outlined in the applicable policy provisions, handbooks, or other related data. Please use this brochure as a guide.

General Responsibilities of the Insured

Please Notify ARM:

- of your desire to replant before replanting.
- of any production loss within two weeks of loss but always prior to the end of the insurance period.
- of hail damage to crops within five days of the damage.
- of conversion of any crop insured as a grain to another use, e.g. chopping or harvesting as a high moisture grain.
- prior to co-mingling new crop production with old crop inventories.

You must keep contemporaneous records (timely completed and dated, load records or calibrated harvest records).

Revenue Loss Reporting

ARM will notify the insured of any change in the bushels guaranteed in the case of a price loss within 30 days of the "fall" price discovery period.

Insured must notify ARM if they have a production loss within 15 days of said notice.

Production Reporting

ARM will provide a production reporting form to the insured shortly after the insurance company makes them available to ARM.

The insured shall report crop production by unit to ARM prior to the last reporting date.

ARM will assist insured, if requested, in completing this report. An appointment should be requested for this service.

Hail Policy

ARM will provide annual notice of hail coverage. Most policies are continuous.

The insured will notify ARM of any desire:

- to cancel said policy.
- to change the level of coverage per acre.
- to change type of hail insurance coverage.
- to add or delete any endorsements.

Ag Risk Managers, LLC is an Equal Opportunity provider.
